

Adult S'mores

serves 4

We love all-natural marshmallows that brown so beautifully under the broiler. Experiment with other varieties and flavors of chocolate, and create your own .

Ingredients:

- 6 Effie's Oatcakes, cut in half
- 6 All natural Marshmallows, cut in half lengthwise
- 2 High quality dark chocolate bars, cut in thirds

Directions:

Preheat oven to low broil.
Line a cookie sheet with parchment paper or foil.
Arrange oatcakes in center of cookie sheet. Place a half marshmallow on each oatcake.
Put cookie sheet under broiler. Rotate as necessary for even browning. Remove from oven when marshmallows reach a toasty, caramel-y color. Immediately top 6 of the toasted marshmallows with the chocolate, then top the chocolate with the remaining toasted marshmallows, sandwiching the chocolate between toasted marshmallows.
Carefully transfer the S'mores to serving plates.
Enjoy!
